

Skills

Technical Skills: HTML/CSS, Python, React.js, Data Cleaning, ETL (Extract, Transform, Load), Big Data Processing, MySQL
Soft Skills: Communication, Time Management, Leadership, Problem-Solving, Active Listening

Work Experience

Data Engineer Intern - Coding Blocks

Aug 2025 - Oct 2025

Python, Data Cleaning, Data Warehousing, ETL (Extract, Transform, Load), Big Data Processing, MySQL

Completed a Data Engineering bootcamp focused on Python, MySQL, Hadoop, and Spark. Developed skills in ETL/ELT workflows, data pipeline creation, and handling big data efficiently, preparing to design scalable and high-performance data solutions for industry use cases.

Technical Projects

Movie Ratings Analysis

2025

Python, Big Data Processing

Built a PySpark pipeline to analyze MovieLens data, performing cleaning, aggregation, and genre-wise rating analysis. Identified top-rated movies and active users, using DataFrames and Spark SQL.

MediConnect

2025

React.js, Node.js, MongoDB, API Integration, Tailwind CSS, Express.js

[GitHub Repository](#) [Live Demo](#)

Developed responsive frontend for MediConnect, an online doctor appointment booking system focused on elderly users, using React and Vite. Implemented Home, Doctors, About, Contact, and Account pages to enhance user experience and accessibility.

My Portfolio

2025

React.js, Node.js, Tailwind CSS

[GitHub Repository](#) [Live Demo](#)

Built a personal portfolio website using React+Vite and Tailwind CSS to showcase projects, skills, and achievements. Designed a responsive, modern UI with smooth animations and effects, ensuring accessibility, easy navigation, and an engaging user experience across devices.

Education

Shri Ramswaroop Memorial University

BCA (2023)

Lucknow Public School

Class XII (2023)

Percentage: 90.8

Lucknow Public School

Class X (2021)

Percentage: 90.2

Certifications

- [PHP with Laravel](#) - Softflew Training Institute (January 2024)
- [AINCAT 2025](#) - Naukri Campus (May 2025)
- [JavaScript Certification](#) - KnowledgeGate (June 2025)
- [The FourFold CodeQuest](#) - IEEE Student Chapter (October 2024)

Achievements

- I participated in Anubhuti 2025, the annual fest of SRMU, where I showcased my acting and dancing skills in the Stage Play event and proudly secured the 2nd position.
